RESOLUTIONS

*Passed by the Church Society of the Diocese of Huron; sanctioned
and approved by the Bishop of the Diocese.*

Moved by the Rev. G. J. R. Salter, M. A., seconded by Rev. F. W. Sandys, D.D.,—

Whereas it frequently happens that persons from various parts of the Diocese, and from other Dioceses, make application for assistance in building Churches, Parsonages, &c., to the Clergy and Laity of the Church throughout the Diocese, without any recognized authority and proof of the facts of the case for which application is made:—Resolved, therefore, that the Bishop be respectfully requested to establish as a rule in the Diocese that no clergyman or layman be permitted to collect money for any Church purpose beyond the bounds of his own mission, or to proceed to any other Diocese for the same purpose, without the sanction and approval of the Bishop, given as a heading to his Subscription List; and that it be the duty of such collector to communicate with each clergyman before he makes a collection in his Parish: and that, on his return from his collection tour, every person collecting shall present his Subscription List to the Bishop, and account for all moneys received. And further, that no person from any other Diocese shall make collections within this Diocese without first obtaining the sanction of its Bishop, under his hand and seal.

Moved by Rev. F. W. Sandys, D.D., seconded by the Rev. G. J. R. Salter, M.A.,—

Resolved, That inasmuch as great inconvenience and loss arise from the delay that too often takes place in making the collections for the Church Society and transmitting them to the Secretary, the Clergy are therefore requested to make the collections on some Sunday during the month appointed for each Collection, and to see that they are forwarded without delay to the Secretary.

Moved by the Ven. Archdeacon Brough, A.M., seconded by G. F. Ryland, Esq.,—

Resolved, That all applications for grants of money, books, &c., shal. be submitted for the consideration of the Standing Committee previous to action by the Society thereon.

Moved by the Rev. J. Gunne, seconded by the Rev. J. Walker Marsh, M.A.,—

Resolved, That no change shall be made in the Constitution of this Society, unless notice has been given at the previous quarterly meeting; and, further, that all proposed changes of the Constitution shall be brought before the Standing Committee for them to report upon.

Moved by P. Roe, Esq., seconded by the Ven. Archdeacon Brough, A.M.,—

Resolved, That the Lay Representatives of the Synod be considered *ex-officio* members of the Church Society, in so far as to enable them to attend and take part in all meetings of the Church Society which may be held during any week in which the Synod meets, during their term of office as members of the Synod.

Moved by the Rev. G. J. R. Salter, M.A., seconded by Rev. John McLean, M.A.,—

That, seeing it is absolutely necessary for the successful working of the Church Society and the furtherance of the various objects embraced by its Constitution, that all parts of the Diocese should co-operate: Be it therefore resolved, That no assistance be given to any Parish or Congregation unless all the collections are regularly made by such Congregation, and a Parochial Association established in connection with the same, from which collections are annually made for the Society; and, further, that the Bishop be respectfully requested to apply the same rule to the S. P. C. K. Fund, for assisting in the building of Churches in the Diocese.

RESOLUTIONS

PASSED AT THE SEVENTH ANNUAL MEETING, HELD ON
THE 27TH JUNE, 1865.

The Annual Meeting of the Church Society was held in the City Hall, London, C. W., on Tuesday Evening, June 27th, 1865. The Chair was taken by the President, the Right Rev. the Lord Bishop of the Diocese, at 7:30 o'clock, P. M. The Bishop read the appointed prayers. The Secretary read the Report.

Moved by J. Beard, Esq., seconded by Rev. Dr. Sandys,—

Resolved, that the Report now read be adopted and printed for circulation.

Moved by S. Price, Esq., seconded by Rev. M. S. Baldwin, B. A.,—

Resolved, that the continued peace and measure of prosperity which we have enjoyed during the past year; and the present prospect of an abundant return of "the kindly fruits of the earth," call for our heartfelt thanks to Almighty God, "the Giver of all good gifts."

Moved by F. S. MacGachen, Esq., seconded by Rev. J. McLean, M. A.,—

Resolved, that, while acknowledging that all our efforts without God's blessing are of no avail, we recognize the duty and importance of combined exertion in forwarding the objects of the Church Society, calculated as they are to promote the glory of God, by assisting to supply the spiritual wants of Churchmen throughout the Diocese.

Moved by Rev. J. P. DuMoulin, seconded by Rev. J. Carmichael,—

Resolved, that we rejoice to hear of the increased prosperity of the Church Societies in our fatherland, which have so generously helped us in this Diocese in our hour of need; and we earnestly pray that the Great Head of the Church may pour upon them the abundance of His spirit, and enable them to go on enlarging the sphere of their important labours.

Moved by Venerable Archdeacon Brough, A.M., seconded by Rev. J. W. Marsh, M.A.,—

Resolved, that the thanks of this meeting are due, and are hereby given, to his Worship the Mayor and the members of the Corporation for the use of the City Hall this evening.

FIRSTLY—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Huron, and for creating a fund towards the augmentation of the stipends of poor Clergymen, and towards making a provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.

SECONDLY—For the encouragement of education, and for the support of Day Schools and Sunday Schools in the said Diocese, in conformity with the principles of the said Church.

THIRDLY—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.

FOURTHLY—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other Books and Tracts as shall be approved by the Central Board or Managing Committee of the said Association.

I.

That before the Society shall enter upon any business at any of its meetings, the following prayers shall be said :—

PREVENT US, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord. AMEN.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we humbly beseech Thee to prosper with Thy blessing the designs of this Society, and to comfort with Thy grace those benefactors who contribute to its support. Visit with Thy favour our Sovereign, QUEEN VICTORIA, and all in authority under her, and so rule their hearts, that they may in all things seek Thy honor and glory. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. Inspire continually the Universal Church with a spirit of truth, unity, and concord, and because it cannot continue in safety without Thy succour preserve it evermore by Thy help and goodness; and may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord. AMEN.

OUR FATHER, which art in Heaven, hallowed be Thy Name. Thy kingdom come. Thy will be done in earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for thine is the kingdom, the power and the glory, for ever and ever. AMEN.

AND WHEN BUSINESS IS ENDED.

ALMIGHTY God, Father of all mercies, we thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving kindness, to us and to all men; more particularly for the providential support by which this Society hath been enabled to extend the knowledge of Thy sacred truth. But above all, for Thy inestimable love in the redemption of the world by Thy blessed Son; for the means of grace and for the hope of glory, which thou hast given us, in the same our Lord and Saviour Jesus Christ; to whom with Thee and the Holy Ghost be all honour and glory, world without end. AMEN.

THE GRACE of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. AMEN.

SEVENTH ANNUAL REPORT
OF
THE INCORPORATED CHURCH SOCIETY
OF THE
DIOCESE OF HURON.

By the good hand of our God upon us, the Church Society of the Diocese of Huron is brought to the end of the Seventh year of its work. Established at a period when the whole country was suffering under great depression, and having passed through years of severe trial, and being now brought to the end of its first septennial epoch, the Committee, reviewing the past and considering its present condition, may well exclaim, "What hath God wrought!" for although the progress of the Society and its present position are not all that they could wish, when they look at the wants of the Diocese, still they cannot fail to see that much has been done—the Clergy have been largely increased, and both Clergy and Laity, even if not yet fully alive to their duties and responsibilities, have been aroused to a greater sense of the necessity of exerting themselves to establish in our midst an organization for furthering the important objects which the Society has in view.

The past year has been one of great trial, the Agriculturist has suffered many privations from the earth withholding her increase, and commerce has felt the ill effect of the unsettled state of the political world; it cannot then be a matter of surprise, though of regret, that the Committee is obliged to come before the Society, after a season of so great depression, with an income somewhat diminished, compared with previous years; but as the war-cloud has now passed away from our neighbours, and the whole country is smiling with the prospect of plenty, giving the promise that the earth is about to bring forth her increase, and that our God is, indeed, about to bless us; the Committee therefore confidently hope that such exertions will be made by all who value these blessings that future years will show a steady increase in the means placed at the disposal of the Society to carry out its great work.

Income.

The Income for the past year received from subscriptions, collections and donations, is \$6,998.80, being \$776.76 less than the amount from the same sources received in the previous year. This decrease is accounted for, in part, by the fact that there were only four collections made during the past year, compared with five in the previous year; this would account for about one-half of the deficiency, that being the amount generally received from the collections made on the day of general thanksgiving; no such day having been proclaimed by public authority during the past year; shortness of crops and positive inability, owing to the great scarceness of money in many parts of the country, and not want of sympathy and interest in the objects of the Society, the Committee believe to have been the causes which have led to the further deficiency in the last year's returns; still the Committee cannot hide from themselves, that if all had exerted themselves, as it is evident from the returns that some have, the Income would have been at least equal to that of the previous year.

General Purposes Fund.

The amount received for this fund is \$4,158.70; this with the balance in hand at the beginning of the year has enabled the Society, be-

sides meeting the expenses, to grant \$858.32 to churches and a parsonage; \$193.28 towards supplying Sunday Schools with Catechisms, Hymn Books, &c., and, as directed by the by-law, to carry \$400 to the credit of the Widows & Orphans' Fund. The sum to the credit of the General Purposes Fund towards the work of the current year is \$1,086.73. The disastrous fire, which, on the 1st of August last, laid in ashes the fine block of buildings in which the Society's office was situated, has caused serious additional expense to the Society; as a new set of account books had to be opened, a new safe to be purchased, and another office to be sought for and furnished. This has led the Society to consider the expediency of procuring for its own use a permanent office, with fire proof vault, and steps were taken towards this object during the past year. As yet, however, nothing definite has been agreed upon, but the matter will probably be settled during the current year.

Mission Fund.

This fund which respects the chief work which the Society has in hand, the Committee regret to report is not equal to its requirements. Although the number of the clergy has been greatly increased during the past few years, and is still steadily increasing, the Mission Fund, from which their support in great measure will have to be drawn, does not show a corresponding increase, and unless greater exertions are made to put it upon a more liberal footing, it will not be able to meet the calls which must be made upon it. The sum received during the past year from collections, &c., is \$2,279.74, this with the balance in hand at the end of the previous year, and \$5,833.32 received from the Society for the Propagation of the Gospel in Foreign Parts, \$74.05 from investments, and \$500 from the surplus interest of the Commutation Fund, has enabled the Society to expend \$9,110.40 on Missionary work in the Diocese, including \$735.60 in the Indian Missions, leaving only \$414.43 in hand towards the work of the current year.

Widows' and Orphans' Fund.

This fund, the Committee are glad to report, still maintains its hold on the sympathies of our people. The sum received this year

from the Diocese, notwithstanding the depressed state of the country, is slightly in excess of that sent in during the previous year; and the Committee point with gratitude to a small legacy left to this fund, and which was paid during the year through the hands of the Rev. J. McLean, Curate of St Paul's Cathedral. The Committee rejoice to note these indications of interest in the work of the Society, and hope that such examples of liberality will not be without effect on the Diocese at large, particularly on those in whose hands God has placed the means of doing likewise.

The total Income of this fund from all sources, including \$400 from the General Purposes Fund, was \$2,064.68. Out of this \$860 have been paid in pensions to five widows, and \$8 in law expenses; a portion has been invested, and the balance still remains in hand for the same purpose.

The past year has added largely to the claims on this fund, owing to the widows placed on it being increased from three to five; and as we must look forward to similar claims being made, as years roll on, the policy hitherto pursued of fostering this fund while the demands are few is proved to be wise, and the Committee are gratified in being able to report that it is in a very satisfactory position, as will be seen by the accounts published in the Appendix.

Depository.

No collection having been made for this fund during the past year, the Committee can only report a donation of five dollars. Sales of books to the amount of \$650.94 have been made, and a large stock of Hymn Books, &c., is now on hand for supplying the Diocese during the current year.

S. P. C. K. Fund, for Building Churches.

During the past year \$934.83 have been received for Churches, and \$823.99 paid as shown in the accounts in the appendix; a balance of \$904.84 remains in hand, but this belongs to the places for which it was given, and is only awaiting the fulfilment of the conditions which

the S. P. C. K. requires before it is paid. The Committee regret to report that the S. P. C. K. is gradually diminishing the amount given to Churches, but this affords another proof of the necessity of greater exertion being made throughout the Diocese in support of all the objects of the Church Society.

TRUST FUNDS.

Commutation Fund.

The Committee are happy to report that the arrangements, provided by Act of Parliament, have been completed with the City of Hamilton and the Town of St. Thomas during the past year, and thus the revenue from this fund is now more than sufficient to meet its liabilities. The debentures belonging to this fund amount to \$273,289.00, besides \$3,000, which have been carried as a temporary loan to the credit of the interest account of the Episcopal Fund; adding this and the money now in hand for investment to the debentures, we have the total belonging to the Commutation Fund, which shows that debentures, amounting to \$10,267.50, have been added to the amount received from the Diocese of Toronto at the time of the division of the funds. The amount of interest from the Commutation Fund received during the year has enabled the Society to repay the capital, the \$2,300 borrowed during the previous year, and also the \$3,474 borrowed during the third year, and after paying the annual claims on it, and \$500 to the Mission Fund, to leave a balance in hand of \$714.12 towards the current year.

The present position of this fund may be briefly stated thus:—

The present claims on it are \$13,880.28; and the present revenue amounts to \$14,724.94, thus showing a surplus income of \$844.66 per annum.

Episcopal Fund.

The capital of this fund is gradually improving each year, as the original subscriptions are paid and reinvested. During the past year the sum due to this Diocese on the death of the late Archdeacon of Kingston, *viz.* \$3024, has been paid by the Church Society of the Diocese of Toronto, and this is added to the capital of the Episcopal Fund, according to the terms of "the award." The interest account, as will be seen by the statement in the appendix, is in a better position than in past years; this has been effected by the loan from the Commutation Fund, which has enabled it to repay the sum due the Gore Bank at the beginning of the year, and to meet all demands on it, and to close the year with a small balance in hand. The Annual Income derived from this fund is still below its liabilities, but now in a few years, even if not sooner, this fund, by the terms of the award, will be placed in a position to meet its requirements, and gradually to repay the money borrowed from the Commutation Fund.

There are three other minor trusts administered by the Society, *viz.* :—Wardsville; Dunwich, and Huntingford trusts. The accounts in the appendix will show the present position of these funds.

Such is a review of the work of the Society as performed during the past year. The Committee would be glad to be able to report more work done, but lack of means alone stays the work, for that there is much yet to be done within our Diocese—the sphere of the Society's labours—none who are at all acquainted with its wants can deny; and that the fields are indeed white for the harvest must be evident to all who take any interest in the objects which the Society has in hand. While, therefore, it is the duty of all, earnestly to pray to the Lord of the harvest to send forth more labourers into his harvest, it is equally the duty and the interest of all to exert themselves to the utmost to provide the means for carrying on this great work, and thus we shall emulate those venerable Societies in our fatherland, to whom we are still indebted for assisting in the Society's work, so that in time—though may that period be far distant—when their help shall be entirely withdrawn from us, we, if we are faithful to our trust, shall not only be able fully to accomplish the work amongst ourselves, but also to assist in

the great work of evangelizing the world, and then, like them, we shall experience that "the liberal soul shall be made fat, and that he that watereth others shall be watered also himself."

The Committee would briefly remark, in conclusion, that during the past year the hand of death has been laid heavily on our clergy, no less than three have been taken from our midst; one, the Rev. Richard Flood, in a ripe age, and after long service in the Diocese, one whom to know was to respect, and whose death was deeply regretted by all, but, to our consolation, we feel our loss was his gain; the others, the Rev. R. A. Montgomery and the Rev. A. Potts were both young in the ministry, and early called from their labours, leaving a lessen to all, which the Committee would seek to impress upon themselves, and upon their brethren of the Clergy and Laity throughout the Diocese, "work while it is day, the night cometh when no man can work."

All which is respectfully submitted.

BY-LAW

OF THE

DIOCESE OF HURON FOR THE MANAGEMENT OF THE MISSION FUND, PASSED DECEMBER 7. 1864.

1. That whenever a Mission is vacant, or a new Mission about to be established, before a Clergyman is appointed thereto, it shall be previously visited by a Committee, who shall report to the Standing Committee of the Church Society, the amount which such mission is able and willing to contribute towards a Clergyman's support. A Committee for this purpose shall be appointed for every Deanery, to consist of the Rural Dean EX-OFFICIO, of a Clergyman to be named by the Bishop, and of a Layman selected by the Rural Dean.

2. That the Standing Committee, after duly weighing all the circumstances of each mission, shall recommend to the Society what sum, if any, be apportioned thereto, and for what period.

That it shall be the duty of the Secretary to notify the Standing Committee at each meeting of all grants which are within six months of expiring, in order that action may be taken, to renew the grant, if necessary, or that notice may be given at least three months before the expiration of the grant to the Clergyman and Church Wardens, that such grant cannot be renewed.

3. That it shall be the duty of the Clergyman and Church Wardens of every congregation which is brought under the provisions of this By-Law to make half-yearly reports, according to the annexed form, to the Standing Committee, which shall be sent to the Secretary of the Society by the 1st day of May, and the 1st day of November in each year, and all grants made by the Church Society, under this By-Law, shall be contingent upon these reports being regularly and punctually made.

.....Incumbent.
.....Ch. Warden.
.....Ch. Warden.

Date.....

If the above Certificate cannot be signed, please answer the following questions :—

- a. What is the amount of Stipend promised to the Clergyman ?
- b. What is the amount of arrears at (Easter or October 1st) ?
- c. Why has this arrear been allowed to accrue ?
- d. Is there any provision for paying this arrear promptly ?

4. That the Secretary shall lay these reports before the Standing Committee at the June and December Quarterly Meetings, with a list of those congregations which are in arrears to their Clergymen.

5. That the Standing Committee, after considering each case, shall decide what action is to be taken, and, if necessary, shall direct the Secretary to write to the Rural Dean, and request the District Committee to visit the mission and to point out to such congregation, at a vestry meeting to be called for that purpose by the Clergyman, the necessity of fulfilling their promises.

The District Committee shall report, without delay, the result of such visit, to the Secretary, in order that it may be laid before the next meeting of the Standing Committee.

6. That when a mission, after having been visited once, or oftener, as may be considered necessary by the Standing Committee, is still found to be in arrear to its Clergyman a sum equal to, or nearly equal to, six months' stipend promised by such mission, the Bishop shall be respectfully requested to remove the Clergyman to another mission, and if the Bishop should so remove him, or sanction his removal to another Diocese, then the arrears due by the mission to the Clergyman shall be paid to him out of the General Purposes Fund of the Church Society, provided always that in no case shall a larger arrear than a sum equal to six months stipend, promised by such mission, be paid to the Clergyman under the provisions of this By-Law; and no Clergyman shall be appointed to such defaulting mission, unless good cause can be shown to the contrary, until the arrears advanced by the Society shall be repaid by said mission.

7. That the travelling expenses of the Committee of each Deanery, whenever sent to visit any Mission, shall be paid out of the General Purposes Fund of the Church Society.

That this By-Law shall come into force immediately upon its being adopted by the Church Society; and any mission now established may be brought under it, if desired by the parties interested, by an arrangement in accordance with the provisions herein contained, upon the express understanding that no action with regard to arrears having accrued previous to its coming under the provisions of this By-Law, be taken into account.

BY-LAW

OF THE

CHURCH SOCIETY OF THE DIOCESE OF HURON, FOR RESTRAINING UNDUE EXPENDITURE IN CHURCH BUILDING, PASSED JUNE 27, 1865.

In all Parishes or Missions where any assistance is required from the Society to aid in building a Church or Parsonage; and in all Parishes or Missions where assistance is given, under the By-Law for managing the Mission Fund, towards the Clergyman's stipend, all such assistance, both in Church building, and in assisting in the support of the Clergyman, shall be dependent upon the following Rules being complied with:

That before any Church or Parsonage shall be commenced in such Parish or Mission, a Report shall be made, by the Clergyman and people interested in the erection of said Church or Parsonage, to the Standing Committee, containing the following particulars, a copy of which shall be sent to the Rural Dean:

1. When a Church is about to be built; the locality and distance from any other Church; and the number of Church families within a circle of five miles of the proposed Church; and when a Parsonage is to be built, its position with reference to the Church or Churches in the Mission.

2. What kind of Church or Parsonage is proposed to be built, and what it is estimated to cost.

3. What amount is subscribed towards the said Church or Parsonage, and in what manner; and what amount has been paid.

4. The assurance that the building of the said Church or Parsonage will not interfere with nor lessen the amount subscribed by the Congregation or Mission towards the Clergyman's stipend.

5. That the Plans of such proposed Church or Parsonage shall be laid before the Standing Committee.

That it shall be the duty of the Standing Committee to report to the Society what should be the amount spent upon, and what should be the size and material of, such Church or Parsonage; and what sum should be granted by the Church Society towards the erection of such Church or Parsonage; such grant from the funds of the Society to be made on the following conditions:

1. That the deed for the site of the Church or Parsonage, free and unincumbered, shall be vested in trust in the Society.

2. That no larger nor more expensive Church or Parsonage be built than shall be agreed upon by the Society.

3. That no contract shall be given out until at least one half of the Subscription List for said Church or Parsonage shall be actually paid and in hand; nor shall such contract cover work which shall cost more than fifty per cent. beyond the money in hand.

4. That the grant from the Church Society shall not be paid until the Church or Parsonage is enclosed and roofed, and, so far, paid for, but not by the debt being assumed by any person or persons, unless such person or persons relieve the Congregation or Mission from all future liability for the same; and further, before such grant is paid the Churchwardens and Vestry, or Building Committee, shall promise in writing, that they will not engage in any further work upon the Church or Parsonage, until the money necessary for such further work is actually in hand.
